# BIRDY-T

- Project Incubator -  Projects -

Date de mise en ligne : jeudi 28 janvier 2021

CENSUS has supported the project BIRDY-T by l'IMCCE since 2014 (merge of the projects QBDIM and BIRDY). Suggested support :

- Phase 0 studies for 2 mission concepts (Cruise and ProxOps)
- supervision and co-supervision of internships and PhDs
- Engineering and Project Management support for a Radio-Frequency Test Bench
- Parametric modeling of 2 mission profiles (MBSE approach)
- Concurrent engineering campaigns at our PROMESS Plateau
